Prof.
Hyo-Sang Park

Microimplant Clear Aligner Combined Treatment (1 day)

- Case presentation for Non-extraction, extraction, openbite treatment with clear aligner
- Detailed procedure for clear aligner in-office clear aligner fabrication
- Strong and weak points of clear aligner treatment and clues for better treatment and shorter treatment time
- Acceptable hybrid clear aligner- Microimplant combined treatment

Schedule

S 8th (Tue.) Apr. 2025
F 28th (Tue.) Oct. 2025
COURSE FEE USD\$130

Minor Tooth Movement Course (1 day)

- The use of Microimplants in Preprosthetic orthodontic treatment
- Molar uprighting, Molar intrusion, Molar protraction, Bone preservation
- Forced eruption, Impacted canine management, Treatment of Scissor bite, Space distribution

Schedule

S 7th (Mon.) Apr. 2025
F 27th (Mon.) Oct. 2025
COURSE FEE USD\$130

Advanced Microimplant Course (2 days)

- Skeletal Class III treatment and orthopedic possibility with Microimplants
- Deepbite treatment with Microimplant
- Treatment of facial asymmetry
- Facial profile improvement in severely hyperdivergent patients
- Minor tooth movement in brief - Treatment of canted occlusal plane
- Microimplant in orthognathic surgery and surgery-first approach
- Microimplant and clear aligner combined treatment

Schedule

S 5th (Sat.) ~ 6th (Sun.) Apr. 2025
F 25th (Sat.) ~ 26th (Sun.) Oct. 2025
COURSE FEE USD\$250

Comprehensive treatment Course (3 days)

- Hands-on model practice · Live surgery observation
- Detailed step by step surgical procedure
- Diagnosis and biomechanics for Microimplant treatment
- Class I or II bialveolar protrusion treatment
- Treatment of openbite and long-term follow-up
- Non-extraction treatment with molar distalization
- Clinical management of Microimplant (minimizing complication, methods improving success rate over 95 percent)
- Diagnosis and treatment planning · Participant case discussion

Schedule

S 2nd (Wed.) ~ 4th (Fri.) Apr. 2025
F 22nd (Wed.) ~ 24th (Fri.) Oct. 2025
COURSE FEE USD\$400

"More than 8 Microimplants placement practice into a model Participants will keep the clear model with the Microimplants placed after course."

REGISTRATION

Please fill out the attached word file and send it back to us via email

jimmy@dentos.co.kr or webmaster@dentos.co.kr / dentos5908@gmail.com

You can choose the course that you want to apply for :

- **Comprehensive Treatment :** S Apr. 2nd ~ 4th, 2025 F Oct. 22nd ~ 24th, 2025
- **Advanced Microimplant Course :** S Apr. 5th ~ 6th, 2025 F Oct. 25th ~ 26th, 2025
- **Minor Tooth Movement Course :** S Apr. 7th, 2025 F Oct. 27th, 2025
- **Microimplant Clear Aligner Combined Treatment :** S Apr. 8th, 2025 F Oct. 28th, 2025

HOTEL INFORMATION

We recommend the following 4 hotels close to KNU Dental Hospital.

Please refer to the information below and book a hotel room directly through a hotel booking website (agoda.com or booking.com, etc.).

Accommodation rates vary depending on the day, so make sure to check the hotel booking website yourself.

Hotel Name	Approx. Cost for 1 night	Distance (to KNU Univ)
<input type="checkbox"/> Eldis Regent Hotel (★★★★)	150,000 KRW	20 min on foot
<input type="checkbox"/> Daegu Grand Hotel (★★★★)	150,000 KRW	10 min by subway
<input type="checkbox"/> Toyoko Inn Deagu Dongseong-ro (★★★★)	100,000 KRW	20 min on foot
<input type="checkbox"/> Sono Business Hotel (Sono Causal House) (★★)	50,000 KRW	20 min on foot

TRANSPORTATION

Daegu is located at the center of the south east region of the Korean Peninsula. The city is about 300km from Incheon International Airport (ICN) and Seoul. There are three different ways from ICN to Daegu. For detailed traffic information, we will send you a PDF file 1 month before the courses.

- 1) **By Express Bus :** There is a direct bus. ICN => Dong-Daegu directly (4-5 hours)
- 2) **By Express Train [KTX] :** There is no direct train. ICN ⇒ Travel to KTX station (60min) ⇒ Dong-Daegu station (100 min)
- 3) **By Airplane**

There are direct flights to Daegu from nearby countries such as Japan, China, Thailand, Taiwan, Philippines and Vietnam.

Also, from ICN to Daegu airport (TAE), there is 1 flight offered by Korean Air every day.

But the flight is available for only transfer from international flight.
