

The Philosophy and Art of the Lingual Bracket Treatment

New Book

Here we are delighted to present this book for all orthodontists who are eager to learn the Fujita Lingual Bracket Treatment and to establish the milestone for the great achievement of Professor Fujita Kinya in the orthodontic field.

Our book is intended to serve as a textbook for orthodontists in managing those orthodontic problems and techniques. The book is composed of five chapters.

2020 released(1st. Ed.) 225pages
